

THE COLDEST GIRL

ReadMaster

Retrieval

At what age did the little girl talk a lot and first see snow? (Choose one.)

At 2 years old

☐

At 4 years old

☐

At 3 years old

☐

The little girl grew bigger.
When she turned 4 years old, she began to talk a lot.
Before that she only talked a little.

This was also when she discovered snow...

She saw the snow in the window and immediately ran for the door to get to the snow.

Draw three lines to show what happened in this part of the story.

First

The girl tried to run outside.

Next

The girl saw snow for the first time.
