Cut out the pictures and  
the sentences and put  
them in the correct order!

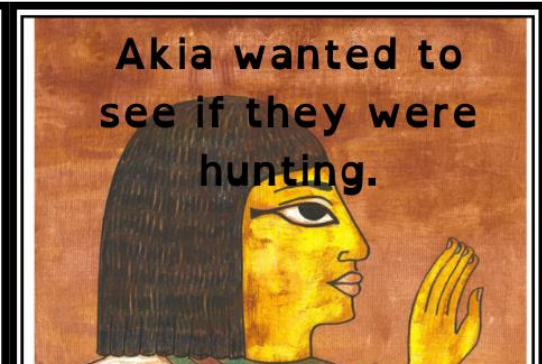

The Pharaoh and  
his soldiers came  
to the oasis.

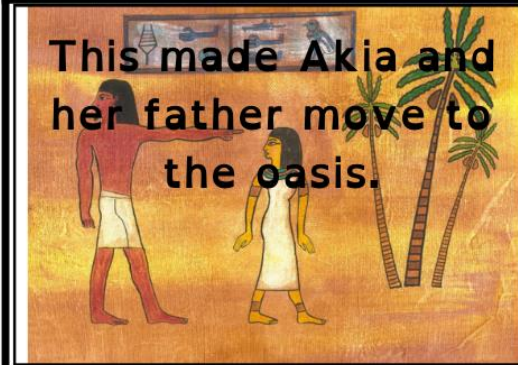

Akia's mother  
was eaten by a  
crocodile.

They raised goats  
for a living in the  
oasis.

Akia wanted to  
see if they were  
hunting.

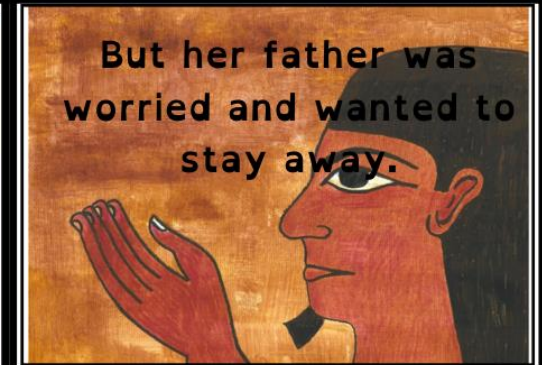

This made Akia and  
her father move to  
the oasis.

One day Akia's  
father came to  
her in a panic!

Akia loved  
climbing the trees  
and picking fruit.

But her father was  
worried and wanted to  
stay away.
